I just spoke to IL EPA and they gave me an update on thinking about this. Do you have a few min in the next couple days to touch base and share any latest information from all sides?

Subject: Centreville Citizens for Change Request for Immediate Assistance

Please find attached a letter to Governor J.B. Pritzker and Director John Kim, Illinois Environmental Protection Agency ("IEPA") from Centreville Citizens for Change, Equity Legal Services, Metropolitan St. Louis Equal Housing and Opportunity Council, Earthjustice and the Natural Resources Defense Council.

This Black community's failing sewage infrastructure urgently needs the attention of the Governor's office and IEPA.

Please contact Nicole Nelson at Equity Legal Services at nnelson@equitylegalservice.org or me at dchizewer@earthjustice.org to discuss this matter and to arrange a time to discuss the matter with the leaders of Centreville Citizens for Change.
